

Elective courses Laurea Magistrale – 2nd semester

Course: Temporary Urban Solutions

Teacher: Prof. Davide Fassi

Every master classes (no D&E)

Semester: 2nd (February 23-27, 2015 + final event on March 7, 2015)

Language: English

Places available: 40 Polimi + 15 exchange students

Attendance: mandatory

It is a course about developing solutions to open up the campus to the neighbourhood through design for social innovation actions to be tested in a 1 day final event (il Sabato della Bovisa)

Elective courses Laurea Magistrale – 2nd semester

6 credits

5 days intensive workshop

1 day event

to test and prototype your spatial/service/product/communication/fashion solutions

1 de-briefing day

1 written essay about the results

**Is our campus a
place only
for us?**

**Are we able as
designers to find out
solutions to let the
public space be
community centred?**

**Could we make
an event with
low budget for
social purpose?**

Bo-legge

The book crossing corner at the Politecnico di Milano

#01

The background image shows a book crossing corner at the Politecnico di Milano. It features a red wall, a vending machine, and several people. One person is standing near the vending machine, while others are holding books. The floor is yellow, and there are stacks of books and bookshelves in the foreground.

Bo-legge

The book crossing corner at the Politecnico di Milano

Partner: Bovisa/Dergano Library

Location: Building B8 level-1, red wall in front of the vending machine

Goal: To design and build the book-crossing corner
To re-design the service and communication of it

Swapping

The second life for everyday garments

#02

al Politecnico di Milano

Swapping

The second life for everyday garments

Partner: Dergano Parish church

Location: 'il Pratone'

Goals: To design and support the swapping service
To set up the spaces hosting the service

il Sabato
della Bovisa

al Politecnico di Milano

Pumpkins passage

#03

Pumpkins passage

Partner: Coltivando – The convivial garden at the Politecnico di Milano

Location: Coltivando

Goals: To design and built a shelter for edible plants (pumpkins, zucchini..)

To design the activity of setting it up during the event

Set for web serie

A man in a grey shirt and black skirt is holding a silver tray with a white teapot and two cups. He is standing next to a woman who is wearing a striped shirt, a dark vest, and a large, voluminous red and pink fur skirt. They are positioned in front of a backdrop featuring a floral pattern with large grey flowers and green leaves. On a table covered with a blue and gold patterned cloth, there is a white tea set. A white chair with a yellow cushion is also visible. The scene is set outdoors on a grassy area.

#04

Set for web serie

https://www.facebook.com/plugsocialtv/app_249713308418257

Partner: ImagisLab with de.de.p

Location: 'il Pratone'

Goals: To design and to build the set for a web-series developed for PlugTv to be placed in the campus and in Passparvert passage (Via Butti-Via Guerzoni)

To design the activity of interaction between the set and the visitor according to the plot of the web serie

Giardini extravaganti

#05

Giardini extravaganti

A group of people are gathered on a city street, some wearing costumes like a crown and a white hood. They are holding large yellow signs with black symbols. The background shows city buildings and trees.

<http://www.cap20100.it/>

Partner: CAP20100 - ZUP Zup Urban Project

Location: Giardino via Carnevali to Bovisa Campus

Goals: To design and to build micro-gardens from second hand objects and micro-places where to exhibit them along the path from Giardino Via Carnevali and Bovisa Durando Campus to create a green way.

Tuplay

A large group of children and adults are gathered in a park, playing with a massive pile of colorful pom-poms. The children are of various ages, some standing and some kneeling, all engaged in the activity. The adults are also present, some watching and others participating. The ground is covered in a thick layer of pom-poms in various colors including blue, red, green, yellow, and purple. The scene is set outdoors with trees in the background.

#06

A large group of children and adults are gathered in a park, playing with a massive pile of colorful pom-poms (blue, purple, red, green, yellow) on the ground. The children are of various ages, and some are wearing costumes or headbands. The background shows trees and other people, suggesting a public event or festival.

Tuplay

The celebration of the street games

<http://www.dedep.org/articolo-test/&t=/articolo-test/>

Partner: de.de.p.

Location: 'il Pratone'

Goals: To design the preview of the 6th edition of TuPlay including the communication strategy and 1 game for kids
