#### RULES :

BACHELOR students choose 1-5 destinations in order of preference; however, all decisions regarding student placements will be made by the Professors. After looking at the folios on-line the Professors may wish to discuss student work further using the paper folio, which students should bring with them to the workshop.

MASTER students rank 1-4 destinations and submit a digital folio in advance of the Workshop. This allows the Professors time to familiarize themselves with your work, and the skills and experience you have gained. During the workshop you will make a 5 min presentation (20 images maximum), which describes who you are as a designer, what your design interests are and your ambitions for professional life might be. The presentation, therefore, is NOT a reprise of your folio - we wish to see you reflect upon your personal qualities, describe your past experiences and communicate future aspirations

Put a number from 1 to 5 for BA or from 1 to 4 for MA in order of preference:

School	City	Preferences	For the board

The Glasgow School of Art, ,	Glasgow Scotland
