<b>TITOLO/title</b>	<b>WELFARE AS GOOD BUSINESS. NEW WAYS OF CREATING GROWTH BY SIDESTEPPING INTO WELFARE. International Design Camp for Master Students</b>
<b>TEMA /theme</b>	<p>The StudentCamp is for invited Master students from some of the world's top design institutions.</p> <p>For two intense weeks, 30 selected Master students and 30 Master students from Design School Kolding collaborate with 12 selected companies on solving one or more challenges related to welfare. A conference day with expert input and networking with fellow students, companies and peers will guarantee a design experience out of the ordinary.</p> <p>The students from Design School Kolding will start up on Monday 22 September and work for one week. Then the international students will arrive and participate in the two-week Master class DesignCamp2014. Finally, Design School Kolding will continue for 4 weeks refining and further developing the concepts and methods used and learned during the DesignCamp2014.</p>
