INTRODUCTION

D E S I G N FIREPLACE

INTERIOR PROJECT WORKSHOP

The young designers-graduates from POLIMI are invited to design a living room with a fireplace in a private house in Russia.

Interior style of the living room with the fireplace can be corresponded to each other. The semantics of stove in Russian culture has always been associated with uniting family and life functions. The source of warmth and comfort it organizes the interior space of the house.

HOME WORK

D E S I G N FIREPLACE

INTERIOR PROJECT WORKSHOP

Task 1. Learn art styles:

1. Baroque (Italy 16-17 centuries))
2. Rococo (France, 18th century)
3. Classicism (England, 19th century)
4. Art Nouveau and neo-Russian style (Belgium, Russia, late 19th-early 20th centuries)
5. Germany - the style of the Bauhaus, Russian constructivism, hi-tech

Task 2.

Identify the stylistic features.

Task 3.

Prepare the ornamental elements of these styles.

Togliatti

- design of the fireplace in the selected style;
- painted tile for the fireplace in the selected style;

The result of the workshop is a collective presentation: Work in progress - the choice of form and style fireplace (scale, composition patterns, ergonomic principles)

- the design of the fireplace in the interior of the module-based premises
8x6x3,2 m with windows and doors

Outcome - final delivery - presentation of design concepts for fireplace in the living-room of a private house in Russia

INTERIOR PROJECT WORKSHOP

The **FDAA** combines the areas of design and implementation of human-oriented environments as well as the areas of research and teaching based on humanistic and cultural traditions. The **FDAA's** unique character is a result of its ability to combine experience stemming from a long tradition with new thinking in a way that enables new, creative solutions. The **FDAA** produces specialists and innovators of art and design with strong artistic and technical skills. The links between teaching, research and artistic activities and other society, business and culture are active and very close.
