

## Safety Weeks (October 3 – October 21, 2016)

The *Safety Weeks* will take place from Monday, October 3 to Friday, October 21, at the Laboratory for Teaching and Service in the Department of Design, Campus Bovisa Candiani, building B2.

We remember that are mandatory for first-year students of the bachelor's degree of the School of Design and for all students who have not obtained the laboratories access qualification.

The weeks consist of two steps required for enabling access to laboratories:

1. Passing the Online Course on *Safety in the Department's of Design Laboratories*.
2. Training in Laboratories

1. The Online Course on *Safety in the Department's of Design Laboratories* is required to access training and laboratories. It is available by accessing your personal page on the site [www.polimi.it](http://www.polimi.it):
  - Services Online
  - Data
  - Safety Courses
  - Online Course on *Safety in the Department's of Design Laboratories*
2. Training Shifts:
  - Where: Campus Bovisa Candiani, building B2
  - What you need: passing the Online Course, two passport photos and an Identity Document.
  - How: will be enrolled students and formed teams for training in the building's B2 atrium, the same day of a calendar shift.

For students of Industrial Product Design, Interior Design, Product Design for Innovation, Interior Design, Design & Engineering, Product Service System Design is planned a training that involves a 4-hours commitment in the days and times indicated below, after which it will be given a card, necessary for entering the Prototypes, Equipment and Image Laboratories.

For students of Fashion Design and Design for the Fashion System are planned two trainings that involve a commitment of 4-hours each, in the days and times indicated below, after which it will be given a card, necessary for entering the Fashion, Prototype, Equipment and Image Laboratories.

For students of Communication Design is not provided any training but only passing the on-line test. It will need to show up in the days and times indicated below for the withdrawal of the card, necessary for entering the Image Laboratory.

The Training for the master's degree will be in Italian and English. The Training for the Exchange Students will be in English.
