POLITECNICO DI MILANO

SCUOLA DEL DESIGN
design.polimi.it

The competition aims at the collection and realization of ideas for innovative and high-quality furniture.

The initiative is addressed to young, under 35 designers and is targeted to make them play an active role in the manufacturing process, giving them the opportunity to realize their ideas and to commercialize their products, utilizing the sale/distribution channels of the Promoter.

Two projects will be awarded, one for the 'Students' category and one for the 'Professionals' category. In addition, will be assigned up to five special mentions for each category.
