

Films at Triennale di Milano

'Maarten Van Severen: addicted to every possibility' by Moon Blaisse

Lensvelt will also present an impressive film about the flamboyant personality of the Flemish craftsman. **'Maarten Van Severen: addicted to every possibility'** is a film by Moon Blaisse, who reconstructs his tumultuous life by following the first steps of his four talented sons. With interviews with Rem Koolhaas, Marij de Brabandere, Rolf Fehlbaum and others.

Avant premiere at Triennale di Milano, Teatro dell' Arte. Free admission by reservation only to g.flor@lensvelt.nl
