**'Maarten Van Severen. Works' by Terenja van Dijk**

In what would be the last year of his life, Maarten Van Severen gave an interview in his Studio, which is the basis for the film **'Maarten Van Severen. Works'** by Terenja van Dijk. The encounter with the Flemish furniture maker reveals the way he thinks, lives, collects, designs and makes.

On the occasion of the International launch of Van Severen First Series of furniture, Lensvelt is proud to bring to Triennale di Milano this documentary, which is shown daily in the Teatro dell'Arte for all the visitors.
