Hai Bar Street after the above have a lot of bars, drinking at the bar, is a very pleasant thing. Hai Bar Street is a post after a beautiful landscape of sea, came upon the sea, do not miss this landscape.

Hai Bar Street people after exposure to the ancient city of Beijing hutongs has sniffed out a young vibrant modern city. Hai Bar Street the day after, the bar is a little deserted street at night, is certainly a world of unrestrained passion. Bar Street after the sea, but also a concentration of foreigners, sometimes more than foreigners during the day than the Chinese, foreigners who sat beside the lake's drinking coffee and chatting casual night, they enjoy the release, songs, alcohol.

BEIJING

Beijing , also known as Peking , is the capital of the People's Republic of China and one of the most populous cities in the world, with a population of 19,612,368 as of 2010. The city is the country's political, cultural, and educational center, and home to the headquarters for most of China's largest state-owned companies. The metropolis, located in northern China, borders Hebei Province to the north, west, south, and a small section to the east, and Tianjin Municipality to the southeast.

BEIJING

Few cities in the world have served as long as the political and cultural centre of an area as immense. Beijing is one of the **Four Great Ancient Capitals of China**. It has been the heart of China's history for centuries, and there is scarcely a major building of any age in Beijing that does not have at least some national historical significance. The city is renowned for its opulent palaces, temples, and huge stone walls and gates. Its art treasures and universities have long made it a centre of **culture and art** in China.
